

## **SESSION 1: BUILDINGS & GROUNDS SAFETY & SECURITY**

### ISSUES/OPPORTUNITIES

1. Least amount of vandalism at this park location.
2. "Watched" by neighbors, small neighborhood park.
3. 60-70% Ascension School kids.
4. Lighting – Baseball field not lit, need additional lighting
5. Site furnishings – need new, and more locations.
6. Overgrown vegetation needs to be pruned, creates poor visibility.
7. "Hiding places".
8. Safety fall zones currently not met.
9. Chain link fence – not attractive, gives view of garages. Possibly use same fence as was installed at Anderson Park.
10. In-ground irrigation system (future) would help the turf situation.
11. Building location –divides park in ½. Security concern for parents with older and younger children.
12. Surfacing is a concern with sand.

## SESSION 2: PARK DISTRICT STAFF

### ISSUES/OPPORTUNITIES

1. Gate between areas needed.
2. Drainage issues here, as well as sand/water issue with kids.
3. Keep whale/water.
4. Color – Need to brighten up with plants and make it more interesting.
5. More lighting needed on the east side.
6. Irrigation system would help the turf.
7. Younger kids.
8. Maintenance access must be included if area remains sunken.
9. Basketball court – Is it needed?  
New backboard?
10. Restrooms still a problem.
11. Gutters an issue.
12. Turf in need of repair.
13. Overgrown vegetation needs to be pruned.
14. “ADA” water fountain / doggie bibs / hose bib
15. Kids love the sand scooper.
16. Signage needs to state hours & age appropriate users.
17. Can only do so much with the space due to layout.
18. Work with existing trees.

### **SESSION 3: CREATIVE PLAY, PASSIVE SPACE, & SPORTS AREA**

#### ISSUES/OPPORTUNITIES

1. 9-10 year old softball girls play here
2. Basketball court used a lot despite being half-court.
3. Wide strollers, allow larger access.
4. Did a street/alley go through at one time?
5. One of the better fields for softball.
6. Integrated walks throughout would help
7. Turf over-used.
8. U8/U9 35 yd. x 50 yd field.
9. All age groups needed in CPA, older kids currently have little to do.
10. "ADA" accessibility needed.
