### 2. How many years have you resided in the Village of Oak Park?

	Response Percent	Response Count
Less than one year	0.0%	0
1-5 years 	9.3%	5
6-10 years 	3.7%	2
11-20 years 	27.8%	15
20+ years 	55.6%	30
Non-resident 	3.7%	2
<i>answered question</i>		<b>54</b>
<i>skipped question</i>		<b>0</b>

### 3. How often do you use Lindberg Park?

	Response Percent	Response Count
Every day 	36.5%	19
Once per week 	28.8%	15
Two to three times per month 	5.8%	3
Once per month 	7.7%	4
Less than once per month 	13.5%	7
Never 	7.7%	4
<b>answered question</b>		<b>52</b>
<b>skipped question</b>		<b>2</b>

### 4. How do you use Lindberg Park?

	Response Percent	Response Count
For active recreation only 	17.6%	9
Primarily for active recreation 	21.6%	11
<b>For an equal mix of active and passive recreation</b> 	<b>29.4%</b>	<b>15</b>
Primarily for passive recreation 	19.6%	10
For passive recreation only 	11.8%	6
<b>answered question</b>		<b>51</b>
<b>skipped question</b>		<b>3</b>

**5. The western portion of Lindberg Park has been designated a passive recreation area, and has been designed to discourage active recreation, such as ball-playing on lawn areas. How do you feel about the balance of active and passive recreation?**

		Response Percent	Response Count
The park should be designed to accommodate more active recreation		22.6%	12
The park should be designed to accommodate more passive recreation		9.4%	5
<b>The current mix of active and passive recreation is appropriate</b>		<b>67.9%</b>	<b>36</b>
<i>answered question</i>			<b>53</b>
<i>skipped question</i>			<b>1</b>

**6. There are currently entrances to Lindberg Park at the northwest corner, southwest corner, southeast corner, on the north side of the park at Belleforte Avenue, and two on the south side of the park at Belleforte Avenue and Forest Avenue. There is no entry or path at the northeast corner. How do you feel about the park entrances?**

		Response Percent	Response Count
<b>The park entrances are adequate</b>		<b>62.0%</b>	<b>31</b>
An entrance should be added at the northeast corner		26.0%	13
An entrance should be added on the north side of the park		20.0%	10
<i>answered question</i>			<b>50</b>
<i>skipped question</i>			<b>4</b>

**7. Parallel parking is currently allowed on LeMoyne Parkway and Greenfield Street. How do you feel about parking at Lindberg Park?**

		Response Percent	Response Count
Parking is adequate and should not be changed		75.5%	40
Some parking should be eliminated along the park perimeter		7.5%	4
Parking should be added to the park perimeter		17.0%	9
<i>answered question</i>			53
<i>skipped question</i>			1

**8. There are currently no stop signs, speed bumps, or other traffic-calming devices along LeMoyne Parkway and Greenfield Street adjacent to Lindberg Park. How do you feel about traffic and potential conflicts with pedestrians?**

		Response Percent	Response Count
Current vehicular traffic / pedestrian situation is acceptable and should not be changed		54.9%	28
Current vehicular traffic / pedestrian situation is hazardous, and should be mitigated		45.1%	23
<i>answered question</i>			51
<i>skipped question</i>			3

**9. Dense plantings of trees and shrubs currently line the north and south edges of Lindberg Park. How do you feel about the vegetation at the park edges?**

	Response Percent	Response Count
The vegetation should remain; it is attractive and provides a nice sense of enclosure	73.1%	38
The vegetation should be thinned or eliminated; it creates poor visibility and unsafe conditions	26.9%	14
<i>answered question</i>		<b>52</b>
<i>skipped question</i>		<b>2</b>

**10. There are currently no designated drop-off areas at Lindberg Park. How do you feel about drop-off areas?**

	Response Percent	Response Count
No drop-off areas are needed	48.0%	24
Drop-off zones should be designated in the existing parking lane	40.0%	20
Drop-off zones should be extended into the park at certain areas	12.0%	6
<i>answered question</i>		<b>50</b>
<i>skipped question</i>		<b>4</b>

### 11. How would you rate the condition of the ornamental plantings (trees, shrubs, and garden areas) at Lindberg Park?

	Response Percent	Response Count
Good 	49.1%	26
Fair / Average 	43.4%	23
Poor 	7.5%	4
<b>answered question</b>		<b>53</b>
<b>skipped question</b>		<b>1</b>

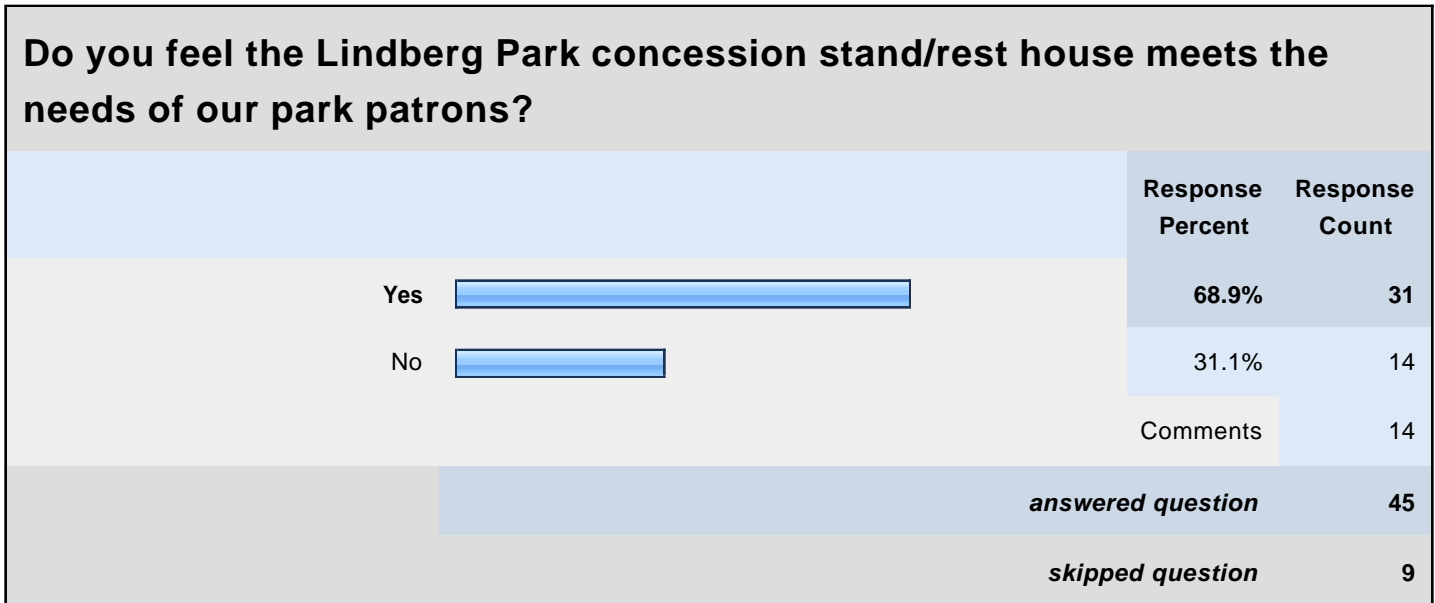

### 12. How do you feel about the current state of the Prairie Trial Gardens?

	Response Percent	Response Count
They are very attractive 	38.0%	19
They are somewhat attractive but should be rehabilitated 	52.0%	26
They are unattractive and should be removed 	10.0%	5
<b>answered question</b>		<b>50</b>
<b>skipped question</b>		<b>4</b>

### 13. Do you feel the Lindberg Park concession stand/rest house meets the needs of our park patrons?

	Response Percent	Response Count
Yes 	68.9%	31
No 	31.1%	14
Comments		14
<b>answered question</b>		<b>45</b>
<b>skipped question</b>		<b>9</b>

# Lindberg Park Site Plan

Comments		
1	Restrooms are yucky.	Sep 23, 2010 10:05 PM
2	Shelter during the rain would be nice, more like the parks with centers	Sep 24, 2010 3:57 AM
3	The bathroom are not sanitary so I do not use them but the concession stand is great.	Sep 24, 2010 4:18 AM
4	no opinion	Sep 24, 2010 1:18 PM
5	It's rarely open for snacks or even for rest room purposes	Sep 24, 2010 4:53 PM
6	Not really. We've lived nearby and have never used it. Fairly unhealthy choices/convenience items. Maybe better to repurpose or improve the food options?	Sep 24, 2010 6:13 PM
7	I guess? Since I live a block away, I use my own facilities.	Sep 25, 2010 3:44 AM
8	Add more space for activities. Should put back bands in the park and other activities. Should have bike road around the park. etc.	Sep 27, 2010 2:29 PM
9	Need to expand use to all affiliate organizations, should not be just available to Baseball	Sep 28, 2010 1:09 PM
10	more maintenance needed	Sep 28, 2010 4:53 PM
11	Replace with combination storage concesssion WC and storm shelter	Sep 28, 2010 10:28 PM
12	I have never seen the concession stand open and there is often a line of children at the 2 bathrooms that seem to be open.	Sep 29, 2010 12:22 AM
13	I don't know how others use it, and I don't use it myself.	Sep 29, 2010 10:47 AM
14	As long as there are restrooms available during day hours it is fine. No one but baseball has taken the time to actually staff and use the concessions and it often encourages messes and conflicts.	Oct 3, 2010 9:06 PM

**14. The “tot lot” at Lindberg Park consists of play equipment for two- to five-year-olds, enclosed by a chain-link fence, and set on a surface of processed wood fiber. How do you feel about the tot lot? (Check all that apply)**

	Response Percent	Response Count
The tot lot is adequate and should not change 	51.0%	25
The tot lot should be expanded to offer play equipment for older children 	28.6%	14
The tot lot should be resurfaced with another material 	30.6%	15
The tot lot fencing should be replaced with a more ornamental enclosure 	34.7%	17
<i>answered question</i>		<b>49</b>
<i>skipped question</i>		<b>5</b>

**15. The southeastern baseball diamond is in close proximity to neighboring houses along the alley and foul balls have caused damage to nearby houses and property. How should this situation be addressed?**

	Response Percent	Response Count
The current configuration is acceptable; the danger posed by foul balls should be mitigated with new backstops / fencing 	93.6%	44
The baseball diamond should be relocated 	6.4%	3
<i>answered question</i>		<b>47</b>
<i>skipped question</i>		<b>7</b>

### 16. How would you rate the condition of Lindberg Park athletic fields?

	Response Percent	Response Count
Good 	36.7%	18
Fair / Average 	38.8%	19
Poor 	24.5%	12
<i>answered question</i>		<b>49</b>
<i>skipped question</i>		<b>5</b>

### 17. The eastern portion of the park, currently designated for active recreation, has some grade changes throughout the playing fields, including a large sunken area to the south and a smaller raised area to the north. How do you feel about the grading in the eastern portion of the park?

	Response Percent	Response Count
The grading is acceptable as is 	56.3%	27
The grading interferes with game play and should be improved 	43.8%	21
<i>answered question</i>		<b>48</b>
<i>skipped question</i>		<b>6</b>

### 18. How do you feel about incorporating artificial turf into certain portions of the athletic fields?

		Response Percent	Response Count
Artificial turf should be considered at Lindberg Park		31.4%	16
<b>Artificial turf should not be considered at Lindberg Park</b>		<b>62.7%</b>	<b>32</b>
Artificial turf should be considered only in the smaller raised area to the north		5.9%	3
<i>answered question</i>			<b>51</b>
<i>skipped question</i>			<b>3</b>

### 19. Please identify which one(s) if any of the following park amenities need to be replaced.

		Response Percent	Response Count
Soccer goals		16.7%	8
Baseball backstops		35.4%	17
<b>Fencing</b>		<b>43.8%</b>	<b>21</b>
Park benches		22.9%	11
Trash receptacles		27.1%	13
none		37.5%	18
<i>answered question</i>			<b>48</b>
<i>skipped question</i>			<b>6</b>

**20. There are currently three tennis courts in Lindberg Park. How do you feel about the tennis courts?**

		Response Percent	Response Count
Maintain the same number of courts		58.0%	29
Remove some/all of the courts		12.0%	6
Add one or more additional court(s)		30.0%	15
<i>answered question</i>			<b>50</b>
<i>skipped question</i>			<b>4</b>

**21. There was once a basketball court adjacent to the existing tennis courts, but it was removed due to the fact that the rims were being stolen. How do you feel about the option of reintroducing basketball into Lindberg Park, with measures taken to prevent rim theft?**

		Response Percent	Response Count
Basketball courts should be considered		51.0%	25
Basketball courts should not be considered		32.7%	16
Basketball courts should not be considered but some other use could occur in this area		16.3%	8
<i>answered question</i>			<b>49</b>
<i>skipped question</i>			<b>5</b>

**22. There is currently no lighting for nighttime play at the Lindberg Park athletic fields / courts. How do you feel about athletic lighting at Lindberg Park?**

	Response Percent	Response Count
Lights should not be added for nighttime play	56.0%	28
Lights should be added for nighttime play (up to 9pm)	44.0%	22
<b>answered question</b>		<b>50</b>
<b>skipped question</b>		<b>4</b>

**23. How safe do you feel at Lindberg Park?**

	Response Percent	Response Count
Very safe	69.8%	37
Somewhat safe	28.3%	15
Unsafe	1.9%	1
<b>answered question</b>		<b>53</b>
<b>skipped question</b>		<b>1</b>

**24. How would you rate the general pedestrian lighting at Lindberg Park?**

	Response Percent	Response Count
Very good	29.4%	15
Fair / Adequate	54.9%	28
Inadequate	15.7%	8
<b>answered question</b>		<b>51</b>
<b>skipped question</b>		<b>3</b>

**25. Currently, there are no paths on the east or north sides of Lindberg Park. How should this situation be addressed? (Check all that apply)**

	Response Percent	Response Count
A path or sidewalk should be added along or near the curb on LeMoyne Parkway 	40.0%	20
<b>A path should be added to the interior of the park in the northeastern quadrant to complete a walking circuit</b> 	<b>56.0%</b>	<b>28</b>
A path should be added along the east side of the park so that the alley does not act as a de facto walkway 	30.0%	15
No paths should be added 	32.0%	16
<i>answered question</i>		<b>50</b>
<i>skipped question</i>		<b>4</b>

**26. Currently, there are no shelters in Lindberg Park for events such as school outings or summer camp activities. Would you like to see such a facility added to Lindberg Park?**

	Response Percent	Response Count
Yes 	52.0%	26
No 	48.0%	24

Response Text		
1	Snow plowing during the winter could be minimized to make cross country / nordic skiing less cumbersome.	Sep 23, 2010 2:45 PM
2	The courtyard area by the flag pole does tend to have a lot of trash in the bushes (e.g., liquor bottles).	Sep 23, 2010 3:35 PM
3	I've lived on Lindberg Park for 50 years. The noise in this park after sunset and before sunrise should be monitored by Park Personnel and not the police.	Sep 23, 2010 7:39 PM
4	Must keep alley locked at north end... people fly through here and park there otherwise.	Sep 23, 2010 9:00 PM
5	The park is a balance of active and passive recreation. There are few passive areas nearby. If this park becomes specific to athletic activity, it will be to the loss of residents with other interests or in other phases of their life. Maintain a balance.	Sep 23, 2010 10:04 PM
6	Just wanted to note that there are stop signs at LeMoyne and MarionSt and at Marion and Greenfield. Belleforte traffic naturally stops at Greenfield because the road ends. I don't think more signs are needed.	Sep 23, 2010 10:05 PM
7	Baseball diamond is NOT in close proximity to houses; they are separated from homes by alley/garages/yards and in all the years we have attended games we have NEVER seen any damage to homes.	Sep 24, 2010 12:08 AM
8	I feel the parking is adequate around the park but the drivers themselves create the safety issues by double parking and parking on the wrong side of the street etc. I feel changing the parking will not make it more safe because people don't use common sense when dropping off or picking up currently. Changing parking will not change their driving habits. A designated drop off area within the park may change this issue though. Also I live right next to the park and think lighting the parks for night play, with limits on the time, is great. The more use of our parks the better!	Sep 24, 2010 4:18 AM
9	The primary solutions required are: 1) 4-way stop at LeMoyne and Marion 2) Some type of drop off along LeMoyne either on the street or with an indent at the concession area.	Sep 24, 2010 3:20 PM
10	A drop off turn about on the north side of the park near the concession stands	Sep 24, 2010 3:30 PM
11	If there is a Gazebo/shelter structure added, perhaps near or at the place of the current concession stand or in the North East corner (that space isn't currently used as much and is a good spot near all the sports activities/playing fields.	Sep 24, 2010 6:13 PM
12	Turf is bad for players knees. I oppose any move to add turf.	Sep 25, 2010 3:06 AM

Response Text		
13	Since I do not visit the park in the evening hours and am only a block away, I am not comfortable making decisions for the adjacent neighbors: i.e. additional lights for the tennis courts, etc.	Sep 25, 2010 3:44 AM
14	The tot lot is an embarrassment. What is the purpose of "the stairs to nowhere"? Sandbox is the size and aesthetic of a large kitty litter box. Would recommend increasing size of tot lot overall, resurfacing ground to be like the Field park tot lot, and would get rid of the sand all together. Older children use soccer and baseball fields while younger sibs use tot lot - except the younger sibs run out of activities at the tot lot and it is not appealing to the caregivers.	Sep 25, 2010 4:36 AM
15	I believe that in a community that prides itself on "progressive" ideas, we should be backing ideas that promote a healthy environment and to remove natural green space and add plastic grass is one of the worst things we could do to our parks. There are concerns about the lead content in this material and it is a fact that the temperature is higher on that surface, so in the summer when it will be primarily used, players will be subjected to an average of 10 degree higher temps than the surrounding areas. In addition, habitat and water runoff will be negatively impacted. Please don't plasticize our fields, but rather consider the needs and desires of passive park users including the insects, birds and other wildlife. thanks,	Sep 25, 2010 9:57 AM
16	I enjoy the Prairie Trial Gardens very much. I hope they are retained. Maintenance may be an issue, but prairie plants do not require the care of domestic flower gardens.	Sep 25, 2010 3:47 PM
17	Much more police presence is necessary on weekend game days. People race down Lemoyne and illegally park, creating a danger for kids playing soccer on the upper field. Suggest police cars drive by, esp Lemoyne, every 20-30 minutes while kids are playing; ticket illegally parked cars; ticket the many cars illegally going south on the one way street Forest (or perhaps cameras can be used and tickets sent to offenders). I am surprised more accidents don't happen as balls roll out into the street, and kids follow.	Sep 26, 2010 4:07 PM
18	Basketball courts should be added for residents only. The gate that closes the alley on the east side of the park should be taken down. Residents of Woodbine should not have keys to that gate. It currently is public property and should not be controlled by special residents. If the village makes the residents buy the alley and maintain it, then they can keep the keys. I don't think this is legal.	Sep 27, 2010 2:29 PM
19	I would strongly oppose any suggestion of using artificial turf on the soccer field. This would be a gross misuse of tax dollars. To tear up the present natural turf and relatively new drainage system - then add a petroleum base synthetic field that would increase surface temperature, expel tar-like particulates, and generally have adverse environmental and safety effects is an appalling suggestion to me.	Sep 27, 2010 5:24 PM
20	<p>LOVE the wild perennials, walk there EVERY DAY, wish there was a sign posted with the names of each plant (could be one sign with photos according to season). Do something to stop the skateboarders from messing up the tennis courts. PLEASE move the colleges that are using Lindberg's tennis courts to another location! It is VERY frustrating to have them there.</p> <p>The large trees dying around the tennis court are very sad. Why did it take so long to cut them down this summer? I fear that they will spread more disease. What is being done to replace them? (There is still a sick tree there). We really need the shade from the trees for tennis in the summer. Other courts are broiling hot.</p> <p>We need brooms and rollers for the tennis courts to sweep away dead leaves and roll away water puddles. Leaves and branches on the courts is particularly problematic at Lindberg.</p> <p>Lindberg is my absolute favorite place to commune with nature, to walk, and to play tennis.</p>	Sep 27, 2010 11:04 PM
21	Pathway on the Southside could be moved closer to the street to increase available field space.	Sep 28, 2010 1:09 PM

Response Text		
22	The grass of the playing fields should be replaced with more appropriate athletic field grass and the PD should be trained on how to properly water it and use weed control	Sep 28, 2010 10:28 PM
23	Any additions (paths or shelters) should not take away any active play/field space.	Sep 29, 2010 12:22 AM
24	The park should not be turned into a Wrigley Field. Over the years it has maintained a successful balance as a youth recreation field and a community/neighborhood park. I can understand that people with children would want more advanced athletic fields, such as lighting, but lighting and night games would upset the neighborhood park concept and balance that currently works so well. Lighted fields and night games would also lower the value of nearby homes and reduce needed taxes to the community.	Sep 29, 2010 1:47 AM
25	I am a south Oak Parker, so I don't make it to Lindberg often, although I have been there specifically to see the Prairie Garden. I am also a strong supporter of expanding and improving maintenance of both the native plantings and the ornamental shrubs and trees that provide habitats for native birds. I monitor birds in our south Oak Park neighborhood, and I know how important our local parks are as habitats for both birds and people. We've seen almost a hundred species of birds in our neighborhood so far this year, and many of them use the local parks to feed during migration or nest during late spring and summer.	Sep 29, 2010 10:47 AM
26	No matter what you do, the baseball field is embarrassing. I have a son in PONY league, and the field looks like it belongs in the inner city. Weeds dominate the infield. Shame on the park district, you take the nicest park in the village and you pay no attention to the baseball fields.	Sep 29, 2010 3:14 PM
27	Re: a park entrance on NE corner- there is a traffic danger with no stop sign and high speeding traffic all the time, which is NEVER SUPERVISED OR ENFORCED. Parking is a nightmare d/t rude folks who feel the entire street is theirs to double park, stop, and block. On LeMoyne when an athletic event is in session and both sides of the street are parked up (no observing current signage for parking restrictions/no tickets written ever) the street is dangerous and essentially unpassable. One way north traffic on Forest is a good traffic pattern to somewhat maintain traffic safety as there is no traffic control at Forest and LeMoyne, however there is ZERO enforcement of the one way and people speed going south with near misses at the intersection every day. Police/parking enforcement refuses to enforce or ticket. While the neighborhood knows that this enforcement is low priority- it is dangerous, particularly with the excess landscaping on the north side of the park where balls fly and kids run out every day. Would like to see a stop sign at Forest and LeMoyne with a camera to enforce one way offenders- as the police cannot handle enforcement. Tennis courts are used every day- would like to see the 4th court added instead of basketball, which historically has resulted in theft, drinking, conflicts and park destruction. This current blank court is not used and encourages bikers to ride and ruin the surface. Have seen all of this 1st hand. Lindberg is a gem, unique in the village and attracts many villagers and visitors with its walking paths. Love the 2 usages and hope you pay attention to the above comments. Lights would only encourage the rude parents of athletes to cause more traffic headaches- which no one addresses currently. We have put 3 children through baseball, soccer, etc and used the park daily- as is would be great with a garden clean up and field grading to reduce damage and maintenance from heavy rains/snows.	Oct 3, 2010 9:06 PM
28	NO LIGHTS! We have collected 13 baseballs, 1 bat, and NO Damages to our home - neither have our neighbors - NO LIGHTS AND NO FAKE TURF - Aren't you all over budgeted anyway?????? Use restraint and stewardship!!!	Oct 5, 2010 12:02 AM

## Lindberg Park Site Plan

Are there any other amenities or changes you would like to see at Lindberg Park?

Response Text		
1	The idea of a complete walkway around the park would greatly enhance the facility.	Sep 23, 2010 2:45 PM
2	My children enjoy the tot lot, but thier favorite part is walking through the garden paths. They love to pretend that we are hiking in the woods. The pants also attract a ton of butterflies that the kids and I really enjoy watching. So basically what I want to say is there are a lot of tot lots in the parks, but the naturalized garden area is a unique and wonderful feature of the park.	Sep 23, 2010 3:35 PM
3	Drinking fountains that actually work!	Sep 23, 2010 9:00 PM
4	I have an elephant and have no place to walk it, I think it fair that if we dedicate areas for soccer, baseball and dogs, I should be granted an area to exercise my elephant.	Sep 23, 2010 10:04 PM
5	Lindberg Park is beautiful as it is.	Sep 23, 2010 10:05 PM
6	more control over dogs and their owners who tend to congregate in the playing fields nightly in the warm weather; dogs are allowed to run freely.	Sep 24, 2010 12:08 AM
7	The Park District is weighted towards activities on the south side of Oak park, with two of the most active centers - Fox and Longfellow - south of Madison. A facility that would allow for more Park District programs in Lindberg - such as the proposed shelter in question 26 - would be a great start to changing the imbalance.	Sep 24, 2010 3:57 AM
8	A small eating area for the concessions. SWINGS!!! in the play area. The current children's play area is dirty due to the ground cover. It would get a lot more use with a rubberized, cleaner ground surface and again SWINGS!!	Sep 24, 2010 4:18 AM
9	More safety from foul baseball coming off the north diamond.	Sep 24, 2010 3:30 PM

Response Text		
10	<p>It is so important to keep the ornamental gardens on the west side of the park. These should be considered architecturally significant as they were modeled after European gardens (in Germany, as I recall). They add so much beauty and serenity to an otherwise, very busy park. The park should be enjoyed by people of all ages and the current layout with beautiful gardens on the west and active fields on the east, works beautifully.</p> <p>Tennis courts--if a fourth court is not added, would it be possible to add a tennis "wall"--e.g. perhaps a clear or otherwise aesthetic practice wall where one person could come and hit tennis balls up against the wall. Great for people of all ages! May need more than one! I bet it would be fairly popular!</p> <p>There may need to be solutions considered for dog-walking. Not sure if dogs are still allowed to run on the playing fields, but it always concerned me that dogs would play there and children would then run/play on the same location right after. Not sure what a better solution would be that wouldn't limit dog walking significantly (e.g. have an areas along the alley (east side) for dogs? seems horse).</p> <p>Please keep the ornamental gardens &amp; pretty landscaping on the west side of the park. Really makes Lindberg the prettiest park in all of Oak Park in my opinion.</p> <p>Sincerely, Thank you!</p>	Sep 24, 2010 6:13 PM
11	More landscaping by the alley so that it is more disguised.	Sep 25, 2010 3:06 AM
12	I have not used the restrooms lately, so replying to whether they are adequate or not is n/a. When there are sporting events or school outings would be a better time to judge whether the restrooms are adequate.	Sep 25, 2010 3:44 AM
13	Wishlist: a small wading pool (not deep enough to attract teenagers) for summer family fun, this could be an ice rink in the winter	Sep 25, 2010 4:36 AM
14	Please consider adding community gardening options as the City of Chicago is doing in it's parks - you can see the program in the CPD website. It's a great way to get public involvement in the park, increases public safety and citizen participation.	Sep 25, 2010 9:57 AM
15	Rotate the soccer games back to Taylor park every other year so our park has so grass again. If not, sod the whole park every year. Why did the residents get water in their basements this summer and the park didn't flood?	Sep 27, 2010 2:29 PM
16	Let's keep Lindberg Park's open natural turf playing fields on the east with Oak Tree borders on the North; natural gardens/benches and curving paths on the west side as is. The Park District did an excellent job of major improvements several years ago. Instead, let's set up a long term maintenance reserve fund for this beautiful park open landscape design. We love it.	Sep 27, 2010 5:24 PM
17	Please keep the natural beauty of this park. It is truly a gem.	Sep 27, 2010 11:04 PM
18	A third soccer field should be added in the lower bowl for 4 total	Sep 28, 2010 10:28 PM
19	I would like for the wildflower gardens to be expanded.	Sep 29, 2010 5:55 AM
20	Consider adding interpretive signage that explains the native plantings to visitors and helps them identify the local birds. The Chicago Park District would be a good example for you to follow in this regard.	Sep 29, 2010 10:47 AM
21	If basketball is reinstated, it is probably a good idea to add only one hoop. A full court could well prove to be an attractive nuisance, as it was in the 80s. Also, the empty court should be considered as a potential area for a one-wall handball court and a tennis backstop for practice.	Sep 29, 2010 3:03 PM
22	If you add a turf field, make it accessible for youth football as well and put in mini bleachers. More than soccer and baseball is played by our youth.	Sep 29, 2010 3:33 PM

Response Text		
23	No- please continue the very unique and enjoyable passive park walking area with a clean up of the "flag" area, as it does encourage drinking and poor behavior due to its hidden nature. Thanks for including us taxpayers and look forward to seeing you at the meetings.	Oct 3, 2010 9:06 PM
24	Yes, a community garden within the prairie plantings where lawn exists now.	Oct 4, 2010 9:24 PM
25	Enforce ticketing cars illegally parked in front of walk-ways;	Oct 5, 2010 12:02 AM
