

SESSION 1: BUILDINGS & GROUNDS, SAFETY & SECURITY

ISSUES/OPPORTUNITIES

1. Sunken Area – safety issue, hiding spot.
2. Building currently good sound buffer.
3. Overgrown vegetation, security issue
4. Mirror Option.
5. Need more lights added - sensor/timer
6. Tennis courts – not used much.
7. Better lighting needed everywhere.
8. Edge needed for sand volleyball courts, maintenance headache.
9. Prune existing vegetation.
10. Playground needs updating.
11. Better signage, signage needs to state hours & age appropriate users.
12. Curb cut used for park district vehicles (snow plows).
13. Residents have good visual watch from three sides.
14. Lighting tower can be removed.
15. Sustainable lighting options should be considered.
16. Re-develop perimeter walk.

SESSION 2: PARK DISTRICT STAFF

ISSUES/OPPORTUNITIES

1. Inter-generational areas/activities.
2. Access needed to lower level.
3. Undermining occurring at court.
4. Long distance to the building – playground. (Sight-lines) Building location – Liability –cuts park in ½. Security concern.
5. Sand-volleyball Doesn't meet standards
 Program could make it better
 Lights
 Possibly remove half of the tennis courts?
 Sand-volleyball with basketball?
6. Jr. High gym class uses sand volleyball
7. Passive areas needed if senior center happens.
8. Bocce, horseshoes, shuffle board?
9. Basketball – currently pick-up games only.
10. Heavy use during spring, summer and fall sports
11. Rear access to building is poor.
12. Sprayer needs work at the base.
13. Keep seal? Nostalgia
14. Sand? Smaller area?
15. Small waterline, expansion difficult.
16. Perimeter lighting needed.
17. Color – Need to brighten up area and make it more interesting.
18. Create a Gateway – You have arrived at someplace very special

SESSION 3: LONGFELLOW SCHOOL PTO & STAFF

ISSUES/OPPORTUNITIES

1. P.E. classes in the spring.
2. Welcome Picnics/Olympic Day.
3. Paddle ball on the tennis courts.
4. Golf classes, chipping out of sand.
5. Good expanse.
6. Need better maintenance.
7. Seal great!
8. Kids run perimeter.
9. Fenwick, too.
10. Daycare/preschool use.
11. Pre-K class would like to utilize it.
12. Poor crossing at Cuyler/Jackson.
13. Roller hockey, remote control cars and Trykes on the tennis courts.
14. No washroom facilities.
15. Visual into basketball area poor.
16. Adams/Cuyler meeting area for teens. Teens have no place to “hang-out”.
17. Softball.
18. Football (flag), Lacrosse.

SESSION 4: CREATIVE PLAY, PASSIVE SPACE & SPORTS AREAS

ISSUES/OPPORTUNITIES

1. Biking down ramp, dangerous.
2. April through August - baseball is heavy.
3. Shuffleboard / Bocce ball.
4. Basketball area could become veranda.
5. Chess tables for seniors.
6. Tennis court survey – 2 over what is needed in town.
7. Better access within the interior.
8. South portion needs more enjoyable walking path.
9. 200' outfield currently.
10. 2 ball fields would be great.
11. ADA pathways.
12. Fields do drain well.
13. Need areas of planting/beauty.
14. Memorial trees need to be maintained.
15. Lights.
16. Undulating walk.
19. Expanding 11-12 year old girl's softball.
