

RIDGELAND COMMON PLAN INFORMATION MEETING

PARK DISTRICT OF OAK PARK

The Park District of Oak Park Board of Commissioners accepted a plan outlining a major renovation of Ridgeland Common at the October 20, 2011 Regular Park Board Meeting. You are invited to a public information meeting to learn more about the future plans for Ridgeland Common, the Park District's flagship facility, which currently features an outdoor pool, indoor ice arena, meeting room, sports fields, sled hill and dog park.

**Ridgeland Common Plan
Information Meeting**
Monday, November 14 at 7:00pm
Oak Park Public Library, 834 Lake St.

In 2007, an Existing Conditions Study determined this 50+ year old facility has outlived its useful life. Over the past four years, the Park District has collected public input through community meetings and surveys to help shape the future of Ridgeland Common.
