## Neighborhood Meetings for Dogs in Oak Park Plan

### Take Part in this Important Process!

In the recently completed Park District of Oak Park comprehensive plan, a standard was identified for dog parks in our community which states that Oak Park should have one or two dogs park(s). The Park District has identified potential sites, with the help of public input and consultants, where permanent dog park(s) could be located in Oak Park. These sites are at Ridgeland Common, Stevenson Center Park, Taylor Park and Maple Park. Neighborhood meetings focusing on each site will take place as follows:

**Maple Park Neighborhood Meeting**

Monday, April 3 @ 7pm  
Carroll Center, 1125 S Kenilworth

**Stevenson Park Neighborhood Meeting**

Tuesday, April 4 @ 7pm  
Stevenson Center, 49 W. Lake Street

**Taylor Park Neighborhood Meeting**

Monday, April 10 @ 7pm  
Field Center, 935 Woodbine

**Ridgeland Common Park Neighborhood Meeting**

Wednesday, April 12 @ 7pm  
Ridgeland Common, 415 W. Lake Street

The public is invited to attend any of these neighborhood meetings to provide input into this planning process. The Park District values all community input. If you cannot attend and would like to be a part of this process, a dog park survey is available by visiting the "Future Plans" section of our website located at [www.oakparkparks.com](http://www.oakparkparks.com).
