## Afterschool Program

### Park Kids (Ages 6-10)

JP

*Non-lottery program*

This program is designed with the working parent in mind. Youth will have an opportunity to participate in both active and passive program activities. Each day, the participants will have an opportunity to work on their homework, have a snack and be social with other Park Kids. The schedule of activities that the children participate in has been designed to be fun and rewarding, as well as challenging and stimulating. Park Kids follows the School District 97 calendar. On non-school days and half-days, the park district offers alternate program opportunities - see School's Out & Half-Day Programs.

Registration for the Park Kids program requires providing extensive information on the parent's part, so registration cannot be handled through this brochure or online, and it is NOT PART OF THE LOTTERY PROGRAM. Only Oak Park residents are eligible for this program. Carroll Center serves Lincoln, Longfellow, Irving and Holmes Schools. For more info about the Park Kids program and/or a parents manual, call Jenny at 725-2106, or e-mail a request to jenniferp@oakparkparks.com.

Fees: \$950 (monthly payment plan optional, requires a one-time \$100 deposit and \$20 administrative fee) Transportation is provided from Irving, Holmes and Longfellow schools. Lincoln students in the Park Kids program will meet at the office lobby and be escorted on foot to Carroll Center.
