If you are unable to attend your specific registration day and time, no worries, here's what YOU do:

Pick at least 3 class choices for each child. Make sure they are days and times that will work with your schedule. If you don't have 3 choices, that is o.k., it just limits us when trying to fit you into a class.

Come to the gym beginning July 27th, fill out all appropriate paper work and provide us with your Mastercard or Visa number.

Provide us with a phone number where you can be reached if you will not be checking your messages while you are away.

Here is what WE do:

We hold your registration in the order it was received separated by each registration day.

Then we process all in person registrations. After in person registration has ended, we process all drop off registration in the order it was received.

This process is repeated for each registration day. Once your registration has been processed, we will call you and let you know which class your child is in and the total charged to your account. **IT IS UP TO YOU TO CONTACT US IF THE CLASS WE HAVE ASSIGNED YOUR CHILD NO LONGER WORKS FOR YOU.**
