Inclusion

The Park District of Oak Park works cooperatively with the West Suburban Special Recreation Association (WSSRA) to integrate campers with disabilities into recreational programs. Inclusion aides may be present at camp to work one-on-one with a specific camper. These aides only intervene in necessary circumstances. If you feel that your camper would benefit from additional assistance at camp, be sure to communicate the necessary information to the Camp Director.

If your child will need special accommodations and you have not yet spoken to Park District staff or the Inclusion Coordinator from WSSRA regarding assistance, PLEASE DO SO IMMEDIATELY! There is a 2-week minimum notice required by WSSRA for proper staffing and training purposes.

Participant Emergency Forms

So that staff can be prepared on the first day of camp, camper emergency forms and field trip forms (if applicable) must be returned to the Park District main office at 218 Madison by 5:00p.m. on the Thursday before camp begins.

Please be aware that your child will not be allowed into camp without an emergency form completed by a parent or guardian by the first day of camp.

All required forms are available online at www.oakparkparks.com

Sick Procedures

For the benefit of everyone attending the camp, a child suspected of having or that has been diagnosed as having an infectious, contagious, or communicable disease should not attend camp.

Symptoms could include:

- Vomiting or diarrhea on one or more occasions within the last 24 hours
- Rash with blisters or one accompanying a fever or other symptoms
- Yellow or Green nasal or eye discharge or pink eye
- Persistent, deep, or hard cough
- Fever at 100.5 or higher
- Lice or nits

Code of Conduct

We want camp to be a great experience for everyone involved. In order for this to happen, everyone needs to play a role in creating a positive and safe environment. Campers have a responsibility to help with this as well by:

- Showing respect to all campers, staff, equipment, and facilities
- Behaving in way that results in only appropriate, kind, and positive interactions with others
- Leaving any unnecessary items at home that may cause a distraction at camp, including toys, cell phones, electronics, weapons or items that appear to look like weapons
- Using caution when playing with others so as to avoid causing bodily harm to others

Consequences for not following these or any other rules developed for specific camps will be shared with the campers each session. In order for this to be successful, the Park District asks for parents' support in enforcing these guidelines. Staff will address each incident with the camper (and parent if the situation requires) in a positive and fair manner meant to help teach campers how to make better choices.

The Park District reserves the right to dismiss a camper whose behavior endangers the well-being of themselves or the camp and no refunds are issued in these circumstances.
