## Code of Conduct

### CAMPER CODE OF CONDUCT

We want camp to be a great experience for everyone involved. In order for this to happen, everyone needs to play a role in creating a positive and safe environment. Campers have a responsibility to help with this as well by:

Showing respect to all campers, staff, equipment, and facilities

Behaving in way that results in only appropriate, kind, and positive interactions with others

Leaving any unnecessary items at home that may cause a distraction at camp, including toys, cell phones, electronics, weapons or items that appear to look like

weapons

Using caution when playing with others so as to avoid causing bodily harm to others

Consequences for not following these or any other rules developed for specific camps will be shared with the campers each session. In order for this to be successful, the Park District asks for parents' support in enforcing these guidelines. Staff will address each incident with the camper (and parent if the situation requires) in a positive and fair manner meant to help teach campers how to make better choices. The Park District reserves the right to dismiss a camper whose behavior endangers the well-being of themselves or the camp and no refunds are issued in these circumstances
