begins as soon as you receive your brochure.

Lottery Entry Deadline

is noon on Thursday, May 13, 2010

Non-resident Registration

Please note: Online registration for most programs closes two business days prior to the start date of the program.

LOTTERY!

All programs listed in this brochure except those which require in-person registration or are otherwise indicated are lottery programs. The Park District lottery system ensures all residents have the same opportunity to be placed in our programs regardless of when they receive the program brochure.

Here is how the lottery works:

- Only Oak Park residents are eligible for the lottery.
- To be eligible for the lottery, program registrations must be received BEFORE NOON on the lottery date
- After all registrations are entered, the computerized "lottery system" randomly selects the maximum participants allotted for each program.
- Lottery results are e-mailed to the main e-mail address registered with your household account. If no e-mail address is on file, a printed receipt will be mailed to your home address using the postal service.
- Resident registrations received after the lottery will be processed as received.
