IMPORTANT INFORMATION:
 As a Rec In the Streets party SPONSOR, your attendance at the program is required. You will be expected to distribute prepared information fliers to each household as well as posting NO PARKING signs on your block (these will be dropped off one week prior to the event by the Park District). The Park District staff will bring barricades to block off the street on the day of the event. Please do not staple or nail NO PARKING signs to trees, as it causes significant damage. Park District staff will NOT be providing food or drink, so please arrange this on your own. Games scheduled by Park District staff are targeted to youth only. The Rec in the Streets team will plan activities, themes, sports, crafts, and more! You will receive an email confirmation within 1 week regarding the scheduling of your Park District Rec In The Streets Date.
