March 2010

Spring registration begins on **Monday, March 1st** for current students. All other class openings will be filled by children on the waitlist. If you have been notified that your child is eligible to move up a level, or you would like to make a schedule change, make sure to get on the waitlist for your desired days and times. **All Changes are made on a first come, first served basis subject to availability.**

Summer registration is on a first come, first served basis giving priority to Oak Park residents. Summer registration for **Oak Park residents** will begin on **Monday, May 3rd at Ridgeland Common at 6:30 p.m.** and for **non-residents** on **Tuesday, May 4th next door at the park district offices at 6:30 p.m.** Current waitlists will not carry over to the summer session. The summer class schedule will be available mid-April.

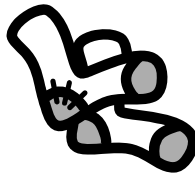

We'd like to say **THANK YOU** to everyone who participated in the cartwheel-a-thon. All of our cartwheelers did an incredible job overcoming their dizziness and staying on their feet! Overall, there was a total of 444 cartwheelers and 29,094 cartwheels.

The most cartwheels done by an individual in the preschool program = **Mattia Zefran w/102**
The most cartwheels done by an individual in the rec. program = **Jonathan Mitchell w/114**
The most cartwheels done by an individual on the Girls Team = **Chloe Smith w/127**
The most cartwheels done by an individual on the Boys Team = **Charlie O'Brien w/125**

The coaches have a contest every year to see who can guess the total number of cartwheels. **This year the winner is Coach Richard with a guess of 28,289.**

It's time for all the **GK1, GK2 & GK3** students to find their crazy socks for **CRAZY SOCK WEEK** the **week of March 1st**. All you need to do is find two socks that **DO NOT** match one another. It is helpful if one sock is patterned and one is solid so we can remember which is our right and which is our left foot and yes, you will be wearing them in class.

**THE GYM WILL BE CLOSED
FOR SPRING BREAK
MARCH 29TH - APRIL 4TH**

Modified Team & GIJO Team practices will be held so check your team folders for details.

Spring Session begins on Monday, April 5th.
