

20. Spring Break Boredom Blues? Not if you're signed up for our activities! We've got Ramp Camp for skaters, a Flashlight Egg Hunt just for teens, Basketball Camp, Soccer Camp and HOLIDAZE. See page 6 for details.

19. KIDSFEST: HAPPY BIRD-DAY GEORGE! The Conservatory's double-yellow head Amazon parrot celebrates his birthday in style with you! Check out this free family event on Su, Mar 7 from Noon-4pm (p. 7)

18. The Vancouver Olympics are just a warm-up for the real entertainment - our 43rd Annual Ice Show! From little tykes still wobbling to seasoned axel experts, there's plenty to enjoy for everyone! (p. 26)

17. Moms & Dads, take a night off - we're watching the kids! Sign up for the Parents' Night Out program, and drop the kids off at Fox Center - we've got plenty for them to do! See page 7 for details.

16. Did you love the Can-Can in "Moulin Rouge?" Now you can learn the moves of the Can-Can and get fit at the same time! See page 66 for our new Can-Can Workout.

15. En garde! Did you know we offer a fantastic fencing program for youth at the Park District? Classes are for ages 10 and up - see page 48 for more info.

14. Wanna be a DJ? Wish you knew how to make your own mashups? Learn how to scratch like a pro with some of Chicago's hottest DJs in our "Bring that Beat Back" class just for ages 11-18. See page 52 for details.

13. Our Mother Daughter Tea - it's under the sea fun with your little one! (Page 7)

12. Dreaming of the Emerald Isle? Take in a free lecture about the historical landscape of the Wicklow Mountains and the people who inhabited the area on March 14 & 21 at the Conservatory. Limited space, so advance registration required. (p. 9)

11. Nothing says "Spring is here" like the Herb & Plant Sale at the Conservatory! Well, except for perhaps the Spring Plant Sale at Cheney Mansion! Find details on these events on page 8 and 9, respectively.

8. We're goin' on a Treasure Hunt! Join the Park District on a Nature Treasure Hunt in the Forest Preserve in Downer's Grove. See page 8 for details.

7. Get a head start on summer and buy your Pool Pass during "Polar Bear" season - you'll save \$\$\$ - Turn to page 33 to see just how much!

6. How's your New Year's Resolution doing? Keep up the good work or just start moving again with a group exercise class! Listings begin on page 58!

5. Enroll in our Parent/Child Yoga classes. You'll learn more than just flexibility and get to spend time together. (Page 44)

4. Two Words: Summer Camps. Sign up now and reserve a spot in your favorite summer camps with our special Summer Camp Preview - pages 11-25. Lottery deadline for camps (and most other programs in this brochure) is Noon on Thursday, March 11!

3. SAVE THE DATE on your calendar now for the rededication of the Scoville Park War Memorial on May 31 in honor of Memorial Day!

2. RU btw 11 n 18? See what's happening at 49 Lake. You can play pool, become a Guitar Hero master, surf the net, and hang out with

your friends. Check it out on page 53.

1. New This Year: "Candy Land" Egg Hunt at the Oak Park Conservatory! This free event is a ticketed event, and we have limited tickets available, so get yours today! See page 7 for details.

The graphic features the word "Spring" in large, bold, teal letters, with "Fever?" written in a black cursive font below it. Underneath "Fever?" is a teal banner with the text "WE'VE GOT YOUR" in white, bold, sans-serif letters. At the bottom of the graphic are the letters "CURE" in very large, bold, black, sans-serif letters. The background includes faint illustrations of a butterfly and grass.

20 Ways To Have Fun This Spring

10. Go GREEN at the Cheney Mansion Open House on Su, Apr 11 from 1-4pm. Don't miss the Garden Scavenger Hunt! See page 9 for details.

9. Are you 50 or better? Drop-In Tuesdays at Longfellow Center offer you a chance to play games and socialize, and make some new friends in the process. See page 72 for more information.

ABOUT THIS BROCHURE

This brochure is printed with soy-based ink on recycled paper made of 30% post-consumer waste. The Park District of Oak Park works with its printers to reduce its effects on the environment.
