Special One Day Art Workshops

NEW! Collage & Mosaics

(Ages 6-12)

SW

Artists will use old newspapers, magazines, scraps, found objects, dried flowers, leaves, stones, pebbles and more, and explore the art of collage and mosaics. There will be no use of paper, pencils, markers or conventional art materials to form their creations. They will discover the results of taking ready-made objects, photos and their wildest ideas to morph it into a large collage on canvas. Children will also have time to make a functional piece of art using the design technique of mosaics. Students are encouraged to bring items from home to incorporate into their art.
