

Summer Camps

CHART LEGEND

Camps are listed in the chart at right alphabetically by camp name.

This symbol indicates a camp accredited by the American Camp Association (ACA)

This symbol indicates a camp is eligible for Extended Camp.

See pages 12 & 17 for more information on these icons.

To be considered a "Full Day" Camp, a camp must meet for at least five consecutive hours most weekdays. All other camps are considered "Partial Day" Camps.

Please see camp refund policy on page 12.

Camp does not meet on Monday, July 5. Fees have been calculated to reflect this for any camp regularly scheduled to meet that day.

The deadline for registration for summer camps (unless indicated otherwise) is 5pm on the Thursday prior to the start of each session. This allows us to properly and safely staff our camps.

Summer Camps ARE NOT Lotteried.

They were lotteried in the Spring Program Guide.

Camp Name	Ages	Full Day?	AM/PM	Months	Page	Other

Extended Camp	6-13		PM	Jun, Jul, Aug	17	

PLEASE NOTE:
Camps do not meet Monday, July 5.

ACA Accredited Day Camp Information

The Park District of Oak Park is proud to be one of only a handful of park districts in the nation to be accredited by the American

Camping Association (ACA). This nationally recognized program, developed exclusively for the camp industry, focuses on program quality, health and safety issues. It also requires us to review every facet of our day camp operations on an annual basis. We have voluntarily submitted to this independent audit by camp experts and have earned this mark of distinction. Please look for the ACA symbol listed next to the camp name to find the camps which fall into this category. Staff to camper ratio is 1:6 for campers ages 3-5, 1:8 for campers ages 6-8, and 1:10 for campers ages 9-13. Campers must be within the camp's age range by the first day of the session they are signed up for. Any registration submitted without a date of birth will be held until the date is verified. Parents or caregivers will be required to sign their children out of camp on a daily basis, unless we have written permission in advance for a child to go home on their own, in which case the child will sign themselves out of camp (only allowed for campers ages 10 and up). Each camper will receive a camp t-shirt for the first session of camp in which they attend.

Our Summer Camps are an exceptional value!

On average our day camps range from \$4.50 per hour to \$8.00 per hour, a fantastic price when you consider all the amenities we offer. Prices are calculated by different variables including swim lessons, pool visits, specialized instruction, specialized contractors and camper-to-counselor ratios just to name a few. Please read each description carefully to be aware of the offerings of each camp. In addition to our outstanding supervisory staff and low camper-to-counselor ratios, our camps include arts & crafts, swimming, sports, games, exciting field trips, a cool t-shirt and much more. We provide the best and most economical camp experiences around. Sign your child up for a summer of fun today!

Choosing the Right Camp

The Park District offers a wide variety of camp options each summer, each featuring different activities. Selecting the perfect camp can be a daunting task for any parent/guardian. Please do not hesitate to contact staff directly to inquire about specific activity offerings to be sure you are choosing the camp that will best suit your camper's interests and needs this summer. The staff member responsible for each camp is listed next to each camp title; and their contact information is located on page 4.

Camp Refund Policy

- ❶ Refund requests for camps must be received two weeks before the program meets to be eligible for a refund. Refunds within two weeks will be considered only if there are participants on the program's waitlist.
- ❷ Camps which cost \$75 or less will have a \$3 service fee applied to any refunded amount for that camp. Camps which cost \$76 or more will have a \$25 service fee applied to any refunded amount for that camp.

Summer Camp Registration Information

Summer camps are not lotteried, they were lotteried in the spring Program Guide.

Summer camp registration began in March, and therefore many camps have already filled. In the interest of providing you with the best service, we have chosen to remove those camps from this edition of the brochure. We have also removed camp sections that are full - so all the camps listed still have space available at the time of the printing of this brochure. Please note that the status of camps may change from open to full at any time - so be sure to get your registration in as soon as possible! **The deadline for registration (unless indicated otherwise) is 5pm on the Thursday prior to the start of each session. This allows us to properly and safely staff our camps. Please note this also applies to Extended Camp!**

We have not included the registration information for camps that are already full in this brochure. These include Jr. Camp Acom, SCAW for ages 6-8, plus already full sessions of other camps. Look for your chance to register for these camps for next year in the 2011 Spring Park District Program Guide!

Allergy or Special Need Accommodations

If your camper has an allergy or a special accommodation request, please indicate this information upon enrollment. While an allergy free campsite cannot be guaranteed, staff will work with you to make the environment as safe as possible for your camper.
